

Ahrend Aero

Designer: Marck Haans

Enriches the work environment

The Ahrend Aero table comes into its own in every type of work environment. From homely to agile work environments; this table serves as the perfect place for scrum teams or brief meetings. Therefore the table is ideal for collaborative meetings, whether sitting or standing. The recessed A-shaped table legs provide full leg freedom and give the table a casual yet chic look.

Casual chic design

- › Intelligent table range for informal meetings and collaborative working
- › The recessed A-shaped table legs offer ample leg room and give the table an informal and chic look
- › Very stable construction that allows big spans

Create your own look and feel

- › Unique rotatable leg design available in wood or steel
- › Oak table legs create a homely feel
- › The Ahrend Puk offers wireless charging of smartphones with charging points for notebooks and tablets (also possible with the Ahrend Smart Working App)

Healthy and productive

- › Ahrend Aero makes healthy and productive working possible in 2 ways – via the lower table top for sitting or the higher table top for standing meetings
- › Sustainable production
- › Wide range of high tables for scrum teams
- › GIO recognition (Good Industrial Design)

- › Ahrend Aero: the ideal table for scrum teams and the perfect balance between design and functionality
- › Personalise the Look and Feel

"Ahrend Aero offers endless possibilities. Create your own look and feel with the wide range of materials available. The signature integrated table lamp with LED lighting forms a perfect unit with the Ahrend Aero."
